**Split Dose Colonoscopy Prep with Suprep**

*This is the most important part of your colonoscopy.  
 A clean colon provides optimal evaluation.  
 If your colon is not clean, polyps and cancers may be missed.*

**The Day Before Your Procedure \_\_\_\_\_**

**You will be on a clear liquid diet the entire day.  
 See the back of this page for specific instructions.**

At \_\_\_\_\_ take 4 Dulcolax tablets

			
Pour ONE 6 oz. bottle of SUPREP liquid into the mixing container.	Add cool water to the 16 oz. line on the container and stir.	Drink ALL of the liquid in the container.	You MUST drink TWO more 16 oz. containers of water over the next hour. <b>The prep will not work unless you drink the fluid as stated above.</b>

**The Day of Your Procedure \_\_\_\_\_**

At \_\_\_\_\_ Repeat steps 1-4 above

- ! You may continue to have clear liquids until 2 hours prior to your arrival time.
- ! You should have nothing by mouth after \_\_\_\_\_.

**If you have anything by mouth within 2 hours of your appointment, your procedure may be cancelled.**

**If you have any questions during normal business hours,  
 please call \_\_\_\_\_ at \_\_\_\_\_.**

If you need assistance after normal business hours  
 (after 4:30pm Monday-Thursday, 1pm on Friday, or on the weekend)  
 Please call (910) 323-5203 and press option 8 for the answering service.
